Dear Prospective Customer :

Taking this opportunity, we would like to introduce our company through this letter and the new catalogue, Mr. Kenny Chang, the President of "ABLEGREEN COMPANY LIMITED" & "ACURITE INDUSTRIES CORPORATION" in Taiwan.

We, at ABLEGREEN design and manufacture a broad range of office products for many famous companies around the world. We perform as their "OEM" or "ODM" in our Taiwan and China facilities. Since 1976, it is our intent to offer a wide range of office products in an existing and unitized package; therefore, making it less costly and move efficiently to import directly.

ABLEGREEN also consolidates container in order to make costly freight charges for customers. We offer services in private labeling, quality control, tooling molds developing, and sourcing of raw materials, parts or other related products in Taiwan and China. We, ACURITE has invested hardware, poly-filings, and plastic injection factory in China which equipped with advanced machinery and "R & D" department. We even have our own product design team to constantly create the new concept into products for our customers.

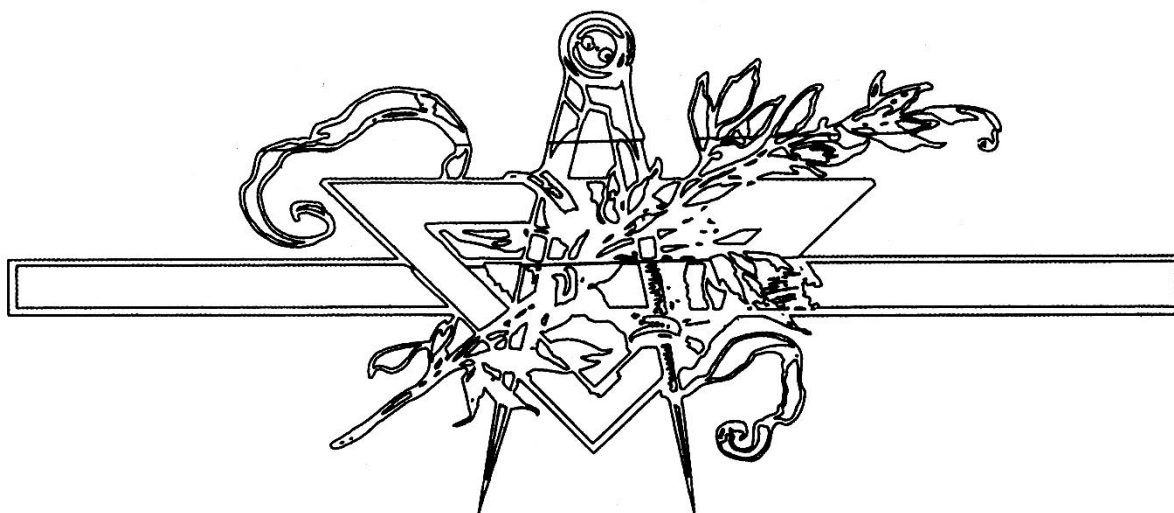

Following please find our catalogues of stationery, office supplies, and craft tools together for your reference. If you have any questions, please do not hesitate to contact us.

It is with great pleasure that I introduce myself and the company; hope we may have opportunity to offer our service to you in the nearly future.

Best Regards,
